

Payment Details

There are 4 different ways to pay for your course:

1. Website

Due to instant payment by credit card your booking can be processed immediately.

2. Bank Transfer

This option will take about one week to process as we need to wait until the money has cleared in our bank account.

If you wish to send payment by bank transfer, you must send the payment in pounds sterling, tick the box to pay both your and our bank's fees (or add £7 bank transfer costs to the invoice amount). This is the only way that the full amount due for the invoice will reach us.

When making the bank transfer please ensure you use the student number as reference, or use the full name and surname of the student.
